

**REMARKS**

The specification is amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority applications. Also the specification is amended to conform to U.S. practice and correct typographical errors. A marked-up copy and a clean copy of the substitute specification are provided.

Claims have been amended under Article 19 on July 13, 2005 and October 24, 2005 but these amendments are incorporated herein in the Preliminary Amendment. Claims 4-6 have been amended to eliminate multiply dependency. Claims 7-16 have been added to restore the subject matters that was removed as a result of the amendment and to further claim what the applicants regard as the invention. New claims are fully supported by the original claims and the specification. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claims.

No new matter has been added by these amendments.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
